town. The people of this place were sur-prised Sunday morning to learn that man of this place had whipped his 0 months' old baby so severely that two mes had to go in and forted him strik-ing it again. This is not the first time has done such a thing, and it is said the mother of the babe stands by and dars not say a word for fear of her own life. Some one ought to lay the ba-before him fs. Some one ought to lay the law efore him.
