

St. Petersburg women are generally making a pilgrimage to a certain shop, where three dressing-gowns are to be seen, which will be the gift of the Czarina to the Princess Alexandra of Greece, who is about to be married to the Grand Duke Paul of Russia. They are phenomenal. One is made of white silver fur, trimmed with a wide border of real gold thread." The second is of sable, and fastened in front with six clasps composed of real pearls, which are said to be strikingly effective among the costly fur. But the most gorgeous of
