Brimful
of confidence in it—the manufacturers of Dr. Sage's Catarrh Remedy. It's a faith
that means busines, too—it's
backed up by money. This
is what they offer: \$500 reward for a case of Catarrh
which they cannot cure. They
mean it. They're willing to
take the risk—they know their
medicine. By its mild, soothing, cleansing and healing
properties, it produces perfect and permanent cures of
the worst cases of chronic Catarrh in the Head. It's doing,
it every day, where everything,
else has failed. No matter
how bad your case, or of how
long standing, you can
be cured. You're sure of that—
or of \$500. You can't have
both, but you'll have one or
the other.
