that Dr. Sage's Catarrh Remedy cures the worst cases of chronic catarrh in the head, catarrhal headache, and "cold in the head."

In perfect faith, its makers, the World's Dispensary Medical Association 'of. Buffalo, N. Y., offers to pay \$500 to any one suffering from chronic catarrh in the head whom they cannot cure.

Now if the conditions were reversed—if they asked you to pay \$500 for a positive cure you might hesitate. Here are reputable men, with years of honorable dealing; thousands of dollars and a great name back of them and they say—we can cure you because we've cured thousands like you—if we can't we'll pay you \$500 for the knowledge that there's one whom we can't cure.
