Sam is still with you, go to him for your Drills, Plows, Pulverizers and Harrows.

THE New Buckeye

Combined Grain and Fertilizer Drill. Glass Fertilizer Feeder.

No corroding' rusting and clogging up of the feeders. The Buckeye Glass Feeder does away with this difficulty entirely and with its use the tendency of the fertilizer to clog up and choke or pack IS EFFECTUALLY STOPPED. It is a glass feeder and, unlike metal, which almost all other drills are obliged to use, it is not affected by moisture or acids of any kind.
