THE SPIRITUALIST.

—the old-fashioned pill. Too reckless in its way of doing business, too. It cleans you out, but it uses you up, and your outraged system rises up against it. Dr. Pierce's Pleasant Pellets have a better way. They do just what is needed—no more. Nothing can be more thorough—nothing is as mild and gentle. They re the smallest, cheapest, the easiest to take. One tiny, sugar-coated granule's a gentle laxative—three to four are cathartic. Siek Headache, Constipation, Indigestion, Bilious Attacks, and all derangements of the Liver, Stomach and Bowels are promptly relieved and permanently cured.

The woman who doesn't use Pearline; the woman who falls to have her servantsuse Pearline. She fails to see what is good for her; she fails to have what is good for her; she fails to have what is good for her; she fails to have what is best for her.

Without Pearline, washing and cleaning is drudgery and toil, and wear and tear, and rub, rub, rub. With it, there is no hard work; there is little or no rubbing. Use Pearline, and rest from your labor; the hardest part—is done by Pearline.
