TWO BEAUTIFUL YOUNG GIRLS

Who will Create a Furore in Newport this summer.

Newport is to have a sensation this summer.

It is authentically stated that the beautiful and celebrated daughters of Lord Dufferin, Beatrice and Adelaide, are to grace this famous resort with their presence this coming season.

It will be remembered that Beatrice's beautiful dark eyes have played havoc lately with the heart of Albert, the eldest son of the Prince of Wales. What it will amount to is yet a matter of conjecture in England. The young ladies are acknowledged to be the handsomest girls in all Europe, and there will be not a little excitement in the hearts of our American belles over their coming. They are exquisite dressers, and their costumes will be marvels of curiosity. Unlike most ladies, they know exactly what is suited to them. Some time ago they sent for the chief designer of the Paris house of "The New York and Paris Young Ladies' Fashion Bazar," and selected forty costumes each, the cost of which will amount to thousands of pounds.

Through the courtesy of these young ladies we have been permitted to copy for "The New York and Paris Young Ladies' Fashion Bazar" two of their most exquisite costumes, which appear as figures 3 and 4 on the colored plates of the June number of this magazine, just out, and for which the publisher has issued, in the name of the American ladies, a card of thanks. It is rumored that the prince may follow the young ladies to Newport this summer. "The New York and Paris Young Ladies' Fashion Bazar" has the exclusive right to publish each month at least one or more of the costumes in which the ladies Beatrice and Adelaide will appear.

Apeing Her Superiors.

A provincial exhibition in England was opened by her Majesty and the Princess Henry of Battenberg. The local mayor (a respected plumber) and his wife followed the royal party. As usual, the Queen inscribed her name in the gorgeous visitors' book as "Victoria," the Princess following with "Beatrice;" then came the mayor's wife, who, seeing what had gone before, wrote with a bold, steady hand, "Jane." The official who had charge of the book has not been seen since.

Miss Frankie Gibbs spent last Friday and Saturday visiting friends in Pontiac and vicinity.

Terms of Sale

(Show this to your Customers.)

"Please deliver at my residence, from your Nurseries, * * * the varieties and quantities of trees named on NOTATIONS TO BE MADE. * * * All stock to be first-class in every respect and to be delivered in a healthy condition."

The above is a part of the order-blank which our customers sign in ordering stock from us, and this shows the fair terms under which they do or never agreed to buy Nurseries for. If We fail to deliver as per terms of this order, of course they are released from their obligation to pay. Our stock must be as ordered, if we want our pay. Notice that we agree not to substitute. Many firms have a clause in their order-blank giving them the right to substitute other kinds, in case they have not the kinds selected by customers. This is not fair to the customer, and customers buying under such terms are not sure as to the varieties that they will receive. There is much complaint in regard to this, but all customers buying from us will have no cause for complaint, as the stock will be exactly what they order in each and every case.

THE BEE-HIVE,

Near Court House, Pontiac, Mich.

TO THE PUBLIC:

LADIES AND GENTLEMEN:—We have had this season the cream of the Carpet Trade of this city. We have in fact, had it for years, but this season more pronouncedly and in a more marked degree than ever before. Although on the boards since April 1st our great sale has only just been heard of by some, and many from the adjoining townships and neighboring counties are now visiting us and purchasing their

Carpets, Curtains, Dress Goods and General Dry Goods.

and meanwhile we have enough on hand to supply all your wants, therefore we ask you all to continue to come to the Old Reliable Bee-Hive and make your spring and summer purchases of Dry Goods in all our well known lines, thus taking advantage of our great sale to get same at the CUT and SACRIFICE PRICES incident to this sale. Our store is open during all business hours and our stock has all been obtained from the leading jobbers, importers and manufacturers of New York, Boston and Philadelphia and the other principal markets, and business centers of the east, all our carpets coming to us directly from the mills, thus doing entirely away with agents' profits. Do not be deceived but examine well the qualities of the goods you buy; that is the main point of our argument, as the Bee-Hive never has in any manner dealt in shoddy goods and we are in every way up to the times and at it betimes as everyone knows one has to who lets the people know where to trade, what to get and how to buy good goods for a little money.

We remain yours,
