"German Syrup"

G. Gieser, Druggist, Watertown, Wis. This is the opinion of a man who keeps a drug store, sells all medicines, comes in direct contact with the patients and their families, and knows better than anyone else what remedies sell, and what true merit they have. He hears of all the failures and successes, and can therefore judge: "I know of no medicine for Coughs, Sore Throat or Hoarseness that does more good than the active virtue in my Coughs, German Syrup." A family as Boschee's Cough Syrup, which is highly recommended. He is suffering from a very severe cold. I told her about German Syrup and that a few doses would give relief, but she had no confidence in patent medicines. I told her to take a bottle, and if the results were not satisfactory, I would make no charge for it. A few days after she called and said that she had tried a bottle, and that she would never without it in future as a few doses had given her relief.
