

"Biggest Flower" Mr. Lorenzo P. Sleeper is very well known to the citizens of Appleton, Wis., and neighborhood. He says: "Eight years ago I was taken sick and suffered for one year but I was cured by August Flower. At that time I was a great sufferer. Everything I ate distressed me so that I had to throw it up. Then in a few moments that horrid distress would come on and I would have to eat and suffer. For that I took a little of August Flower and it cured me. I am now well and strong and I can eat anything without the least fear of distress. I wish all that are afflicted with that terrible disease of the troubles caused by it would try August Flower, as I am satisfied there is no medicine better than it."

"BIGGEST FLOWER" (Continued)
The wind was moaning round the old mill, and the leaves of the apple trees were rustling in the breeze. Mr. Sleeper was sitting on the porch, looking out at the garden. He was thinking about the day when he was first afflicted with the disease. He remembered how he had tried so many different medicines, but nothing seemed to help. Then he had heard about August Flower, and he had bought a bottle. He had taken a few drops, and the next day he was feeling better. He had taken more, and the distress was gone. He had been cured. He was now well and strong, and he was able to enjoy his life again.
