

HOW TO SET TABLE. In setting the table for a dinner, the host should be careful to provide for the convenience of his guests. The round table is much more preferable than the square table, as it allows the guests to see each other and talk more freely. The round table is also more convenient for the waiter to serve the guests. The host should also be careful to provide for the convenience of his guests by providing a comfortable seat for each guest. The host should also be careful to provide for the convenience of his guests by providing a comfortable seat for each guest.
