"August Flower"

"One of my neighbors, Mr. John Gilbert, has been sick for a long time. All thought him past recovery. He was horribly emaciated from the inaction of his liver and kidneys. It is difficult to describe his appearance and the miserable state of his health at that time. Help from any source seemed impossible. He took your August Flower and. the effect upon him was magical. It restored him to perfect health to the great astonishment of his family and friends." John Quibell, Holt, Ont.
