"August Flower"

Miss C. G. McClave, School-teacher, 753 Park Place, Elmira, N. Y.: "This Spring while away from home teaching my first term in a country school I was perfectly wretched with that human agony called dyspepsia. After dieting for two weeks and getting no better, a friend wrote me, suggesting that I take August Flower. The very next day I purchased a bottle. I was delighted to say that August Flower helped me so that I have quite recovered from my indisposition." ❁
