When I was a Boy

Writes Postmaster J. C. Woodson, Forest Hill, Va.

When I was a boy, I had a bronchial cough of such a persistent and stubborn character, that the doctor pronounced it incurable with ordinary medicines, and advised me to try Ayer's Cherry Pectoral. I did so, and one bottle cured me.

For the last fifteen years, I have used this preparation with good effect whenever I take it.

A Bad Cold, and I know of hundreds of people who keep in the house all the time, not considering it safe to be with out it.

It has been used by Ayer's Cherry Pectoral in my family for 30 years, with the most satisfactory results, and can cheerfully recommend it as being especially adapted to all pulmonary complaints. I have, for many years, used pulmonary and other medicines special suits and I have come to the conclusion that Ayer's Cherry Pectoral occupies a prominent position over other medicines of the class.

Ayer's Cherry Pectoral Prepared by Dr. J. C. Ayer & Co., Lowell, Mass. Promptly cures, sure to cure
