## "August Flower"

For two years I suffered terribly with stomach trouble, and for three months I was confined to a physician. He finally, after trying everything, said my stomach was worn out, and that I would have to take a course of food. On the recommendation of a friend I procured a bottle of August Flower. It seemed to do good, and I gained strength and flesh rapidly. I feel now like a new man, and consider that August Flower has cured me.
