"August Flower"

"I am ready to testify under oath that it had not been for August Flower I should have died before this. Eight years ago I was taken sick, and suffered as no one but a dyspeptic can. I employed three of our best doctors and received no benefit. They told me that I had heart, kidney, and liver trouble. Everything I ate distressed me so that I had to throw it up. August Flower cured me. There is no medicine equal to it." **LORENZO F. SLEPPER**, Appleton, Maine.
