

"German Syrup"

I am a Farmer at Edom, Texas. I have used German Syrup for six years successfully for Sore Throat, Coughs, Colds, Hoarseness, Painful Chest and Lung, and Spitting up of Blood. I have tried many kinds of Cough Syrups in my time, but let me say to anyone wanting such medicine—German Syrup is the best. We are subject to so many sudden changes from cold to hot, damp weather here, but in families where German Syrup is used there is little trouble from colds. J. H. Jones.

ORIGIN OF THE TIDES.
The moon, a body round in white, shines on the ocean from the sky. A shadow on the water's surface, moves on an arc as the moon moves. The wave runs to the shore with the moon's shadow. The tide responds with a thrill and a surge. The water rises and falls. The tide runs to the shore with the moon's shadow.

THE MYSTERY OF MRS. BENCARROW.

By Mrs. O. L. H. CONTINUED.

When the lady of the house came to the door, she was hurried to her room. The scandal had not taken root, or else they meant to show her that her neighbors would not turn against her. Perhaps the cessation of visits had been but a temporary expedient. Sometimes happens in those thirty days when nobody cares to leave home; or perhaps the neighbors were waiting for the report against her, had come suddenly round again, as it might be. It was upon her own ground. People said she received a triumphant welcome. To be sure, it was upon her own ground. People said she received a triumphant welcome. To be sure, it was upon her own ground.

"You have brought me, perhaps a message from Mrs. Bencarrow?" "Yes, she is well, and she is very glad to hear from you. She is very glad to hear from you. She is very glad to hear from you."

"You'll be a great fool, then," said Brown. The two men stood looking at each other, the one with a smile, half scornful, half respectful. The other troubled and uncertain. "They will say you have gone of with this commission."
