

RECONCILIATION.
If you set your own house,
You will quickly meet it.
You will take to make a court,
One can easily end it.

SOUTHFIELD FLASHES.
J. M. Boddow and wife have gone to the World's Fair. Others are now arriving to go since it is to be closed on the Sabbath.

The M. E. Sunday school of Southfield give an ice cream social at the home of Miss Johnson on Friday July 29. All are invited.

ROYAL OAK AGON.
Miss Rosalie Horn, of Clio, is here on a visit for her sister, Mrs. B. Horn.

The Epworth League give an ice cream social at the town hall Friday evening.

Mr. Ruby Russell accompanied by Mr. Fred Leonard, of Detroit, is spending his vacation at home.

The Old Fellows' picnic was not a success to the lodge financially, although it did bring quite a bundle to some parties.

Mr. A. Rennie died Saturday after a week's illness. The burial took place Monday afternoon from the house, Rev. Mr. T. H. Boddow officiating.

Mr. Rennie was a good woman and was held in the greatest esteem by all.

Two well known men of Royal Oak called on P. J. Baldwin of Detroit, asking for money to help the cyclone sufferers, saying that Mr. L. Stutz had sent them for that everything had been settled. It is useless to say that Mr. Stutz did not send them and they did not receive the money as they were interested.

WILL WASTE MAKES WOFUL WANT.
When you set your lawn sprinkler going these hot days and go and leave it for half a day at a time, you know that you are not only doing your lawn a great deal of harm, but you are also wasting water in a prodigious and expensive manner. A little water judiciously applied is necessary and beneficial to a lawn, but it is not judicious to let it run all day long. Our water works have a supply of good, pure water sufficient for all to use judiciously but if the weather is so hot and the water is so scarce, it is not judicious to let it run all day long. Sprinkle the street by this means. Keep down the dust. Don't let your beautiful lawn dry up, but don't waste the water. If you know the thousands of gallons of water which is pumped every day at a great expense, simply to be wasted away, you would exercise a little discretion and common sense in the use of this great blessing to our village.

BRIDAL FANCIES.
Married in white, you have chosen all right.
Married in gray, you will go far away.
Married in black, you will wish your self dead.
Married in red, you will wish yourself dead.
Married in blue, he will always be true.
Married in green, you will live in a green world.
Married in yellow, ashamed of your fellow.
Married in brown, you will live out of town.
Married in pink, your spirit will wish of old rhymes.

THE Michigan State Normal School is justly regarded as one of the leading educational institutions of the kind in the United States, recently remarked a gentleman from New York who had been officially connected with the schools of that State for many years. The quality and character of its instruction, the strength and adaptability of its courses and by reason of the very successful results of its work, the State Normal School has constantly and steadily increased in reputation and for which it is widely supported—the development and training of teachers for a profession which has properly come to be regarded as the life of the State. Normal School is the most important to which the life of any man or woman can be dedicated. It is also an important fact in connection with the State Normal School that the expenses of its students are less than at any other educational institution in the State.
