**The Bread**  
As endorsed and recommended by the New-York Health Authorities.

**Royal Unfermented Bread is peptic, palatable, most healthful, and may be eaten warm and fresh without discomfort even by those of delicate digestion, which is not true of bread made in any other way.**

**To make One Loaf of Royal Unfermented Bread:**  
...one quart flour, a teaspoonful salt, ten teaspoonfuls...  
...one quart flour, a teaspoonful salt, ten teaspoonfuls...

**The best baking powder is, as shown by analysis, the "Royal." Its leavening strength has been found superior to other baking powders, and, as far as I know, it is the only powder which will raise large bread perfectly.**

**GRAINS OF GOLD.**  
In the world there are only two ways of raising one's self, either by one's own industry, or the weakness of other people.
