Because It is so Pure!

That's the great reason why you should know about our salt; it is pure unless the best to produce the best. The good farmer and the intelligent dairy maid want the butter maker be has won! Our salt is so carefully made in pure, large crystals—especially for dairy work; and bright dairymen everywhere find their butter better made and their labor better paid when they use

Diamond Crystal Dairy Salt.

No matter what brand you have used, instagive this a fair trial. It is first in flavor, first in granulation, and first in purity. Whether for dairy or table use, you will find it to your advantage to be acquainted with the salt that's all salt. Write us.

Mrs. A. McRoberts and family started for their new home Monday.

No sooner is the church matter at Warren at peace when the election comes on and there is lots of bad blood, looking up points of law and a c——l of a time generally. All the same we have lots for sale on long time in the booming village.

Mr. Stebbins has bought two lots from Martin & Hoard and has a large gang of men at work on a house.

Mr. Muller has his barn completed and is busy putting up a tasty house.

John Stevens, Jr., who died at Cleveland was buried at Union Corners last Friday. Deceased leaves a wife and one child.

The Maccabees are going to hold a dance in the K. of P. Hall at Warren next Monday evening.

The excitement of village election has died a natural death, that of town election is just beginning.

Still another wedding Dame Rumor reports.

The lecture given by S. Morgan Wood at the M. E. church last Friday evening was heartily enjoyed by all who attended. It was the best lecture of the course and all who attended felt amply repaid. It was announced that the last entertainment on this course of lectures would be a Marine Concert some time in April. This course has been a grand success and the Epworth League deserves great commendation for its efforts. We hope to have another course equally as good next year.

BIG BEAVER BLIZZARDS.

School closes this week for the spring vacation.

It is rumored that Homer Ebling will soon return from Virginia.

ARE YOU GOING TO PAINT?

We have made the study of the manufacture of Ready Mixed Paints our business for years, and have now by scientific application found a close study to a subject that is pleasing to us, furnished a product that is simply perfect in every detail for a house covering.

Paint, Paint, Paint!

House painting the past few years has been very discouraging to those who use lead and oil. Go where you may, buy any brand you please of either lead or oil, have it applied by the best painters you can get and the wear of that job is unsatisfactory. It checks off, it peels off, it becomes chalky earth and the whole surface of your house is in a deplorable condition. Your property is ruined, the job has to be performed all over again at a great expense.

Read! Read!! Read!!!

How can you around all sorrow, discouragement and expense? The answer is plain. Use our Paint—Boydell Bros'. White Lead & Color Co's

PAINT

manufactured by us, to out wear, out last and out shine all other Ready Mixed Paint in the United States. We make

Any Shade, Tint or Color Desired.

Whitehead & Mitchell, dealers in Birmingham, have sold our Paints for the past 12 years and have yet to hear of the first complaint. Read what those say who have used it in painting buildings both outside and in:

Extracts From Letters.

Have used hundreds of gallons of Boydell Ready Mixed Paint and it is all right. It is as good as the makers claim it to be and its staying qualities as good as any paint we ever used.
WM. PAINT OF PAINT & STALEY,
House Painters and Decorators

It think it superior to any other manufactured and better even than the best lead and oil for durability. It will never check or peel but always keeps its body and has a wonderfully good body.
ELMER J. MONROE,
House Painter and Decorator.

Myself and son have used 85 gallons and it gave us ENTIRE satisfaction.
SILAS B. WATTLES.

I would recommend Boydell Bros' Paints to all those who desire a good, desirable and lasting paint.
I am much pleased with the paint. Have used about 50 gallons, and never saw paint that had such a gloss. Would certainly use it in preference to any other and am pleased with it.
G. CRABAGE.

Boydell Bros' Paint mixed will cover more surface gallon for gallon, and I shall use it again when I paint my house.
JNO. BALDWIN.

After using over 40 gallons of Boodell's Paints, I say it is the best and that is, I believe, Boodell's Ready Mixed Paint.
D. N. HEIN.

I have used over 60 gallons of Boydell's Paints with as much satisfaction that I can heartily recommend it to any one contemplating the use of paint.
J. W. CRAWFORD.

READ THE FOLLOWING:

TO BOYDELL BROS., Detroit, Mich.—
We think Boydell's Ready Mixed Paint is the best to date. In our experience it excels the best lead and oil for beauty, gloss, economy, lasting qualities and all desirabilities that one wishes in a paint. Boydell's Paint has given entire satisfaction and we cheerfully recommend your Ready Mixed Paint, who expects to obtain a satisfactory article, and we cheerfully recommend your Ready Mixed Paint.

"SONG OF THE INDIAN RIVER."

Kissed by sunshine, lulled by breezes,
Lies mine own, my native land,
With the waves from Gulf and Ocean,
Breaking on its shining sand;
Countless lakes and winding rivers,
Almost lost in depths of green,
Fairest flowers entwine to crown her,
Florida the Southern Queen.

Northern boatmen, leave your rivers
That the Frost King bridges o'er,
Here he rules not, I am ready
Waiting for your guiding bar,
And the life within my waters,
Glittering with rainbow hues,
Far exceeds your wildest fancy—
All I offer—yours to choose.

Warmer grows my heart, and warmer,
Glad my days and full of mirth,
Till, at last, my journey ended—
I'm the arms of fair Lake Worth
Do I lie; her shores caressing
Through the sun kissed happy hours —
Let the Indian River bear you
To this dream-like Land of Flowers!

THE FISHERMAN'S OUTFIT.

A Complete Angling Outfit for only 50 Cents! There are two remarkable things about this Complete Outfit. In the first place it is tempted before; the quality throughout is of the best. No fisherman can afford to pass this offer by, because nowhere can he get such an outfit for double or more money.

Read the description carefully.

No. 1. One Fine Polished Brass Reel. This is a perfect, riveted brass reel, which works admirably, and when attached to the pole will wind any line in first-class style. This reel alone is worth the price we ask for the entire outfit.

No. 2. One Linen Trout Line, strictly first-class, made in the most perfect manner, and the strongest, most durable line, guaranteed to safely land the heaviest trout or fish of equal size.

No. 3. One Linen Bass or Salmon Line, of the same high standard, but larger, adapted for big fish like salmon, or gamey bass like black bass. This line will land the biggest fish caught with bait and sinker, or trolling from boat.

No. 4. One Long Cotton Line, dark colored, nicely cross-wound on a block, and good for every-day fishing after perch, catfish, sunfish, bass, or pickerel.

No. 5. One Line Furnished Complete with Hook, Bob and Sinker. This is a complete outfit in itself, comprising a long and strong line, with medium-size hook attached, and neat, movable bob and sinker. With best at hand and this line in his pocket, the fisherman can start right in and try his luck.

No. 6. One Dozen Best Steel Ringed Fish Hooks (assorted sizes). These are the best grade of steel hooks, warranted strong, sharp in points and barbs, and handy to use, anybody being able to tie their line into the ring of the hook. With this set of hooks the fisherman can try his luck for any size fish, from minnows to the largest.

No. 7. Two Improved Trout Flies. These are the universal style of fly. They will *draw trout* from deep pools when other flies fail. They are natural, brilliant in color, perfectly finished and tied on hook, and will give perfect satisfaction.

No. 8. One Improved Bass Fly. This is the *best approved fly* for black bass fishing, and is tied on hook of best steel in excellence of material and artistic position.

No. 9. One Improved Salmon Fly also accompanies the outfit, and is the most killing and perfect shape and color, sure to raise and catch the fish.

No. 10. Two Snell Hooks and Gut. These hooks are set on long guts, and where the fish are of the large, gamey species, such as safely used; the gut cannot be severed, and lands the fish every time.

Here, then, is a complete fisherman's outfit at the nominal price of half a dollar. No other house can possibly afford to make up this complete assortment, and ought to keep his family in fish for the year! Only a limited number for sale. As much space can be had with this outfit as with a *ten-dollar one*, and the quality of every thing is as represented.

Price of the *complete outfit*, including *everything* herein described, only 50 cents, postpaid. Send to

E. C. ALLEN & CO., AUGUSTA, MAINE.
