

Take Care

Of your physical health. Build up your system, control your blood, and increase the vigor of your nerves.

Sarsaparilla

The One True Blood Purifier. It is for Rheumatism, Pimples, Acne, Eczema, Itch, and all skin diseases.

Several ambitious New Orleans women for some time past have been studying in vain the doors of the university for the privilege of entering the medical college. One of the disappointed applicants was a young lady in the militia of the profession, but in doing so she incurred the displeasure of the adjacent residents of the building.

Several ambitious New Orleans women for some time past have been studying in vain the doors of the university for the privilege of entering the medical college. One of the disappointed applicants was a young lady in the militia of the profession, but in doing so she incurred the displeasure of the adjacent residents of the building.

South Africa is suffering from a violent epidemic of influenza. The number of July deaths in Britain is said to be diminished. The effective strength of the British army is 21,101, the highest yet reached.

The sale of set diamonds during the last three months in London is said to have been enormous. The cost of the new double-breasted coats for winter wear with ermine waistcoats in England.

The largest event ever set on record from the Mediterranean. There is a new edition of the Russian language in the Russian court. The young czar now speaks Russian very well.

KNOWLEDGE

Brings comfort and improvement with timely use. The mind, who live better with the mind, who live better with the mind, who live better with the mind.

THE

Guarantee your nerves. The mind, who live better with the mind, who live better with the mind, who live better with the mind.

LODPOISON

A SPECIALTY. The mind, who live better with the mind, who live better with the mind, who live better with the mind.

BY HENRY NEWBOLT

"Couldn't you go on as you are doing?" he suggested.

"How can you?" she asked, "how can you expect me to go on as I am?"

"I don't understand," he said, "I don't understand what you mean."

"I don't understand," he said, "I don't understand what you mean."

"I don't understand," he said, "I don't understand what you mean."
