

Birmingham Public School.

Our school is better equipped and better prepared for good work than ever before in its history. The school management proposes to offer all good facilities for a large city, and will enjoy the reputation of being one of the largest in the country. Its pupils are the best in the city, and its teachers are the best in the state.

THE HIGH SCHOOL.

We have no hesitancy in saying that our High School is one of the best in the state. Last year we were again visited by a committee from Michigan University, and we are proud to say that our graduates are the best in the state.

BUSINESS COURSE.

We have lately adopted Williams and Rogers' Bookkeeping. This book is used in nearly all the best business colleges. Our regular courses are prepared to look after the book and to give instruction in all kinds of school work, including dictation and shorthand.

NORMAL COURSE.

The 300 teachers of our county who are teaching on 3rd grade certificate must secure a normal course, or drop out of the teachers' ranks. In addition to our regular course we will offer opportunity to review Algebra and Geometry, and all 3rd grade studies. Instruction will also be given in School Law and Pedagogy.

DON'T STOP TOBACCO

IT'S INJURIOUS TO STOP SMOOBY and don't be imposed upon by buying a cheaply made cigarette. It is injurious to your health and it is a waste of money. Buy the best. Buy the one that is worth the price. Buy the one that is worth the price. Buy the one that is worth the price.
