"SONG OF THE INDIAN RIVER."

Kissed by sunshine, lulled by breezes,
Lies mine own, my native land,
With the waves from Gulf and Ocean,
Breaking on its shining sand.
Countless lakes and winding rivers,
Almost lost in depths of green;
Forest flowers entwine to crown her,
Florida the Southern Queen.

* * * * *

Warmer grows my heart, and warmer,
Glad my days and full of mirth,
Tis, at last, my journey ended
In the arms of fair Lake Worth
Do I lie, her shores caressing
Through the sun kissed happy hours —
Let the Indian River bear you
To this dream-like Land of Flowers!

DON'T STOP TOBACCO

IT'S INJURIOUS TO STOP SUDDENLY and don't be imposed upon by buying a remedy that requires you to do so, as it is nothing more than a substitute. In the sudden stoppage of tobacco you must have some stimulant, and in most all cases, the effect of the stimulant, be it opium, morphine, or other opiates, leaves a far worse habit contracted. Ask your druggist about BACO-CURO. It is purely vegetable. You do not have to stop using tobacco with BACO CURO. It will notify you when to stop and your desire for tobacco will cease. Your system will be as free from nicotine as if you never used tobacco the day you first chew or smoke. An ironclad written guarantee to absolutely cure the tobacco habit in all its forms, no matter of how long standing. Price $1.00 per box or 3 boxes (30 days treatment and guaranteed cure,) $2.50. For sale by all druggists or will be sent by mail upon receipt of price. SEND SIX TWO CENT STAMPS FOR SAMPLE BOX. Booklets and proofs free.

Dear Sirs—I have been a tobacco fiend for many years, and during the past two years have smoked fifteen to twenty cigars regularly every day. My whole nervous system became affected, until my physician told me I must stop or die. I purchased a box of your Baco-Cure, and with perfect success, until I accidentally learned of your remedies, two weeks ago to-day. I commenced using your preparation, and to-day I consider myself completely cured. I am in perfect health, and the horrible craving for tobacco, which every Inveterate smoker fully appreciates, has completely left me. I consider your "Baco-Cure" simply wonderful, and can fully recommend it. Yours very truly,

C. W. HUNTER.

Albion Electric Soap

We warrant and guarantee the Albion Electric Soap to perform all that is claimed for it.

WHITEHEAD & MITCHELL, Grocers, Birmingham, Mich.

READ THE FOLLOWING:

The Albion Electric Soap is the invention of the age for washing clothes. Warranted not to injure the finest fabric. Unequaled for hard water. Use only according to these

DIRECTIONS.

For an ordinary washing, put up half a bar or more, and dissolve it in some BOILING water. Put all your white clothes into the tub and add this dissolved soap to enough HOT WATER to cover the clothes.

Let stand and soak for half an hour or more. The dirt will then rinse out easily with little LIGHT RUBBING.

Flannels and colored goods treat in the same way, rinsing flannels in WARM water. Rubbing is unnecessary unless you wish it.

NOTE.—Use only hot water. One nice way is to let the clothes soak while you are getting breakfast, covering the tub to keep the steam in. Rub lightly. Don't rub hard or you will rub the dirt into the clothes. Albion Electric Soap is the most economical soap you can use, because, being pure it is stronger than common soap, and a smaller quantity is required.

HOW THEY CRAWL.

Did you ever wonder how it is that sometimes when you put your Flannels on they appear to CRAWL ALL OVER YOU? That is because the Soap your Flannels were washed with had Resin in it. The hot water takes the saponification out of the Resin; it returns to its original state, wax, and of course STICKS in the meshes of your flannels. Resin is good to put on the bow of a fiddle, but is not good to harrow your skin with.

PLEASE OBSERVE.

This soap will do three-quarters of the work in washing if you only give it half a chance. That's what it's made for, and that's just why it is so different from the common yellow soap. USED PROPERLY, it needs no surprise and delight you.

We have seen this soap manufactured and aside from the necessary amounts of lye used in the make it is clean and pure enough to eat. The proper amount of pure cocoanut oil, clean and sweet, is used in it
