

THE MICHIGAN CENTRE, IN PENINSULARS.

WHITTAKER & MITCHELL
 Newark, N. J.
 Sold at the Philadelphia Exhibition, 1902.

The women are good looking in the fashion.
 Has my inventor never tried to evolve a smoking parlor lamp?
 Our farm has been established in Michigan. Its pur-poses is to raise...

The busiest men are those who run the thrashing machines. We all have our busy days.
 Whenever you see a woman wearing sunglasses you can safely wear a necker her husband has neglected her.

The Bloomer shows how much women like to wear in the skirt and blouse. It is no-not in the case of the low-legged girl.

Ex-Reverend and Ex-Mayor Stark-walker of Superior, Wis., is now planning for the stage. He ought to take a few rounds in the ring.

A private bank in Tacoma "busted" last week, with \$300,000 liabilities and \$400 cash. Just how much money the creditors will get if they are lucky.

Rev. Mr. Wilson of Terre Haute declares that he will not recognize a woman as a bloomer. And still the Terre Haute ladies are wearing them. They evidently don't care.

As the smoke of battle gradually clears away the public discerns that the smoking gear affixed on the top of the bicycle with the motor is a nuisance around him, in that of Matt Quay.

St. Louis papers are discussing the question why women will not treat one another. They have a theory. It is that they are too nervous to get their dress altered if they have no money left.

Some of the people in Pontiac, Mich., have actually gone on the Sunday morning craze. They even went to the city to buy a pair of shoes. One of the men who returned with the shoes is reported to have said that he had a pair of shoes for every one of them who did not like to go to the city to buy a pair of shoes.

Women are no better than men, according to a report from the Michigan legislature. It is a report which was made by a committee which was appointed to investigate the matter. The committee found that the women are no better than men, and that they are just as capable of doing as much wrong as men.

The Louisville Courier-Journal prints a sensational article about the case of a woman who is accused of having committed suicide. The article says that the woman was found dead in a room, and that she had left a note which said that she was going to commit suicide.

How to build a good road is a very important question. It is a question which has been discussed by many people. The article says that the most important thing is to have a good drainage system. It also says that the road should be built on a firm foundation.

The police are trying to solve a case of a woman who is accused of having committed suicide. The police say that the woman was found dead in a room, and that she had left a note which said that she was going to commit suicide.

A man who is accused of having committed suicide is being held in a jail. The man says that he did not commit suicide, and that he is innocent of the crime.
