**Don't Want to Marry.**

According to the registrar-general's records, the number of marriages in the United Kingdom during the month of January, February and March of the present year the lowest marriage rate in any quarter on record was observed, amounting to 10.5 per thousand. The nearest previous approach to this figure was in the early months of 1931 and 1932.

It is a fact that the Hood's Sarsaparilla has an unassailable record of cure, the largest sales in the world, and cures than all other pills. It is a fact that the Hood's Sarsaparilla has an unassailable record of cure, the largest sales in the world, and cures than all other pills.

**Whyning Horse sold for a long.**

Whyning the lower grade of horses are being sold at a low price, and are being sold, unbroken Mustangs can be had for \$1 each, and a thoroughly broken horse, sound in every respect, for \$2.00. These are the mighty factors for the advance of the electric and cable car, the horseless carriage and the flying car.

### For a Healthy Existence—That's Why the Kidneys so often Fail.

Nature has provided a certain amount of force for every organ of the human body, overtax them and disease eventually follows. There is no one exception to this rule. The kidneys are the most important of filtering the blood of the impurities which naturally form in the regular course of life and therefore the kidneys are consequently taxed the more of the system. If the kidneys fail, the blood becomes tainted with poisons, which brings on disease of many forms. The kidneys are the most important of filtering the blood of the impurities which naturally form in the regular course of life and therefore the kidneys are consequently taxed the more of the system.

### KINDLY LIGHT.

RELIGION AND REFORM THE WORLD OVER.

The world is full of darkness and the people are in need of a light. The light of religion and reform is the only way to true happiness and peace. Let us turn to God and follow His commandments, and we shall find the way to life.

### BY HENRY NEWBOLT.

through that looked the entrance, with a courteous and distinguished him from all around.

The man who looked into the eyes of the lady, whoever looked upon her turned to look again. She was fully as beautiful as the moon, her neck and on her brow were diamonds, and she wore them better, like a queen.

### THE ARCTIC MUSK-OX.

One Big Animal Which Is Not Likely to Become Extinct.

There is one large bovine animal on the continent of North America which is not likely to become extinct. It is the musk-ox, a creature of the Arctic regions, which is found in the high mountains and tundra of the north.

### NEW PROBLEM IN INDIA.

With the Abolition of Caste, Patriotism May Spring Up.

An intelligent native writer on the subject of the caste system in India has pointed out a new problem that may arise from the abolition of caste. He suggests that the sense of national unity and patriotism may be strengthened by the removal of the caste barriers.

### WOMAN'S AFFECTION.

It has often been said to remark on the devotion of a woman to a man, and to say that she loves him. But what is the nature of this affection? Is it a blind passion, or is it a rational love based on mutual respect and admiration?
