TURNING GRAY AND TREASURING WITH ALLEZED

The Dyeing is Accelerated by Using

AYER'S HAIR VIGOR

Nearly forty years ago, after some weeks of sickness, my hair turned gray and began falling out so rapidly that I was threatened with baldness.

I began to use Ayer's Hair Vigor and in a few weeks my hair began to grow again.

I have used it ever since and my hair has remained in its natural color.

I have used it ever since and my hair has remained in its natural color.

I have used it ever since and my hair has remained in its natural color.

I have used it ever since and my hair has remained in its natural color.
