THE COLONEL'S STORY.

"Not half so hard as on the horses," returned Dick...

"You don't change your opinion you don't deserve another letter from me...

"The boys who knew the colonel's prying-talents, drew their chairs closer and put themselves into a listening attitude."

"The old man drew his chair again and went on. We were camped at a small town near Lexington that week..."

TURNING GRAY AND THINNING WITH BALDNESS

The Danger is Averted by Using AYER'S HAIR VIGOR

"Nearly forty years ago after some weeks of sickness, my hair turned gray and began to fall out so rapidly that I was threatened with baldness."

"I commenced using this preparation and my hair began to grow again, and I have since had the opportunity of consulting with the most eminent physicians of the country."

"I have since had the opportunity of consulting with the most eminent physicians of the country and have been told that my hair is now as thick and as black as it ever was."

"I have since had the opportunity of consulting with the most eminent physicians of the country and have been told that my hair is now as thick and as black as it ever was."
