At the lecture before the High School.
November 12 was another red letter day in the history of our high school, when Mr. Ferris of Big Rapids, Michigan, was the guest. He came to see, he conquered. He made a most interesting and instructive lecture on "Making the World Better." The general theme was that nothing could be done until we had been in Birmingham for many years.
From 7:00 to 11:45 a reception was given Mr. Ferris at the High School. The members of the High School and Grammar School were present, and the ladies and gentlemen of the neighborhood gathered to meet and welcome Mr. Ferris. A most interesting and instructive lecture was given by Mr. Ferris, and the High School room, last night, was decorated by a number that it was the most beautiful room room ever seen.
