

THE JOKERS' CORNER.

WEEKLY GIBST FOR OUR LEAN TRADERS.

Who's the Hero?

Through the weekly... woman's talk... Who'd regard that fact as a success in itself?"

A New Woman

Cumso... do you think of Cawker? Fangle... is a Maid Miller sort of a chap?"

In Mother's Bow

"Tag... which did you get a crack on as an act or conflict?"

A Horse Laugh

First New York Horse... What are you laughing at? Second New York Horse... I was thinking that on Sundays the human beings here are no better off than we are... They have to drink water."

Wheeler Wit and Wisdom

Look out for your digestive organs... which means life as much as you can within reason. When a man's stomach gets to be very tight in the afternoon, the horse that uses the city streets can't get the public 100 times as much in weight and loss of pavement as the horse that uses the country roads."

GRAINS OF GOLD

The trust of old life is to know that life never ends. A good character is in all cases the fruit of personal exertion. Doing good is the only certain happy action of a man's life. There is nothing more certain than a proud mind and beggar's purse."

GEMS OF KNOWLEDGE

The first steel pen was made in 1530. The first clock that ran for an hour... Light moves 187,000 miles in an hour. A storm mover thirty-six miles per hour.
