RECENT NOTES OF SCIENCE AND INDUSTRY.

A Bill for the Prevention of Vitiligo... After the bride couple had passed followed the bride and groom...

BILL, entitled "A Bill for the Further Prevention of Vitiligo..."

Although sent out under a mask of benevolence, the bill is aimed directly at the vitiligoist...

It is the pioneer of ostrich raising, but also a trainer of the ostrich...

And just to take time by the forelock he has written a book...

Of course, they like to see the folk and suns and uncle, too...

And in the game in season to make the early winning, he has broken this one long-limbed, raring and full...

It was invented by two New Hampshire men and its purpose, simply fulfilled, is to enable the hunter to move his camp as often as he likes...

Very many persons would like to know how to pad their shoes...

Under the body of the wagon, between the wheels, is a place where supplies can be kept...

The aggregate weight of all this is 6,000 pounds, and four good horses can draw it over any road...

The crane for tall buildings that has recently shown itself as a marked feature in some of our large cities...

Among the latest inventions in this line is a crane called a lifting trap...

By cycling at midday during dog-days is confessedly warm work...

It is a device for the purpose of relieving the intense heat of summer to future with this pleasure...

Constant Reader wants to know the maid of honor attended, who took the door of the room where the father...

THE JOKER'S CORNER.

CURRENT WIT AND HUMOR ORIGINAL AND SELECTED.

Some Illustrated Dialogues of Typical Persons—They Talk and Dropped His Hat.

WISH the man who turns the crank of a machine would push ahead of his day or two...

For mamma and the baby girl are coming home next week.

They've only been at grandma's house just since the tenth of May.

And grandma wants to have them stay and make their visit through.

But I'd just like to have them both at home with me to-night.

It is the daughter of John Lothrop Moly, a famous historian and author of the Standard History of the Republic.

It is impossible for the mind to comprehend the vastness of the spaces that separate us from the stars.

Yellowstone Park Waterfalls. Yellowstone Park is the great playground of the world.

Twenty acres will be sold in the city of Birmingham, Ala., on the 10th day of July.
