Sarsaparilla Sense.

Any Sarsaparilla is sarsaparilla. True, So any tea is tea. So any flour is flour. But grades differ. You want the best. If you understand sarsaparilla, you will see that the best sarsaparilla would be easy to determine. But you can't. How should you? When you are going to buy a commodity whose value you don't know, you pick out one of the established houses to trade with, and trust their experience and reputation. Do so when buying sarsaparilla. Ayer's Sarsaparilla has been on the market 53 years. You can't get any other. It is a genuine article. There are many Sarsaparillas, but only one Ayer's. It cures.
