BIRMINGHAM, FRIDAY, OCT. 22, '9'

When you hear a man say that every man has his price that man is anxious to sell out.

Thirty towns in Utah are without reekly newspapers. These places use in population from 1,000 to 3,000, not several of them are county seats. tah would seem a splendid field for uterprising journalists with a little aultal.

Lawyer wright, or nome, on, owe clarge that "of all the cowards God ever made the greatest coward unbung is the man who joins a mob." Let the south which boards largely of its cour-ter that the order of the cour-ter that the order of the cour-end. And is it not the right wier? Think of hundreds or thousands against one man, thirsting for his blood, too aften without regard to his guilt or innocence.

About the time that the camp meeting at Old Orchard claimed to be engaged in the work of casting out devile and the work of casting out devile ligious freesy in Mountville, South Carolina, over the alleged capture of the original and only complete levil. It was proposed to bury his suppositious majesty, and it was thought that immediately thereafter the Judgment there lamps improvement in any situation, aby more than there has been during the long period which has been largely given up to the annihilation of the diabolical weretch. And does not the diabolical weretch. The does not the sutan attli live?

The blorde corps of the 2th Usteel states infantry recently rode from 67 ort Missoula, Montans, to \$1. Louis, discourt, a distance of 1.900 miles. The mommander of the corps has reported to the war department that the trip equired thirty-four days of actual ravel, at an average rate of 6.3 miles rehour. A large part of the trip was made under trying conditions, over hour and on sandy or minddy cads, with an occasional fording of creams; the men living meanwhile on

At Milledgeville, Ky., in the possession of "Uncle Mart". Russell, they shave found the old dimin-law for the have found the old dimin-law for the have found the old dimin for the barrel measures 4 feet 1 inch, and the entire gun 6 feet 2 inches. It was with this gun that Bloome helped to kill the 2,300 deer whose skins were cached in the mountains of Kentucky, while the ploneers went bc't to Virginia for more ammunition and supplies. When more ammunition and supplies. When more ammunition and supplies when been dependent that the few months latter they found that the few months inter they found that the few months interest the few months in the few months and the few months in the few months

One of the buildings of which Oswe One of the buildings of which Uswego, N. Y., is proud is the drug store in which Thomas C. Platt started his career. He started in politics as a political glee club singer, and the back room of his drug store soon became the county headquarters of his party.

Creeps from brow to your flager tips? Your fair white flagers are strangely cold Shall I clasp them, love, to my breast? Shall I law your temples to-day as of old Shall I sit by you, dear, while you read: will smooth seach web of your midhigh With its glutting of silvery shees. I will plend with you, love, in an age prayer Till the anguels shall listen, I ween.

ou do not speak, though you seem to smils You do not answer, uear, hough I hush my very breath, the while, And list with my soul, to hear. Gernal silense! It is yours, dear one;

The day at the color of the funeral was held on or address Henry Miller, Beatty, of the Franklin church, officiating, with interment in Franklin cemetery. She leaves a father mother and one brother.

The fifth semi-annual convention of the Oakland County C. E. Un ion was held in the Union church at Milford, Tuesday and Wednesday of this week. An interesting program was finely rendered and each session proved both profitable and enjoy able to all in attendance. Mis Carrie Harger went as delegate fo the Y. P. S. C. E. of this place Miss Harger also appeared on the program and her paper on "What should we bring to the Convention and what should we take away?" was listened to with much interest

There is a lack of hitching p in town. Isn't it the duty of ever store, business place and especiall of every church to provide for it own and not to use those in front and often forces one's own guests o go elsewhere. More than that it empts persons to hitch to the trees which are the pride of our villag and too slow of growth to stand
