Will Have No Parts at All.

When a man is really no place to store his express cart or if he has it on the corner to balance a heavy ornamental carriage.
Why a petition from our people should have so offended our school people who placed them in the school. When the walk leading from Maple avenue to the school house is to be repaired.
When Maple avenue is to be graveled. It is there would be any trees left in the country around Birmingham when the saw mill give up?
If some of our people will ever give up trying to locate the stock from an 80 acre farm on a 50 foot village hill?
If the electric road people are going to put out some trees around their property this spring?
If a dramatic company is to give East Lynn here next week?
If people who want trees know that B. Boardman can furnish them?
If the Park is to be moved this summer?
If we are to go to Detroit in 40 minutes by the electric?
If the "Entertainment Bureau" of this village can manage so as not to bring four or five entertainments on the same night, thereby spoiling the success of all?
When our street lights were last changed, they were changed to gas, dark as Egypt, no lights, no signs and three entertainments in town?

A GOOD THING.

The publishers of the World-Famous Trade-A-Wreck Detroit Free Press desire to introduce their paper to new readers, and are making the following very liberal offer: They will send the paper twice each week for ten weeks for the small sum of FIFTY CENTS. Just think of it, twenty papers for only ten cents. One-half cent a copy. Do not fail to take advantage of this wonderful offer. The Free Press reads no recommendations. Send 10c in stamps or silver to The Detroit Free Press, Detroit, Mich. 326.

NOW IT'S SHOES

The entire stock of the big Wholesale Shoe Manufacturers, H. S. Robinson & Co., Detroit, bought last week by the "Big Store" for less than one-half the actual cost.
We're selling it as we bought it—thus giving the greatest shoe bargains ever made in Michigan.
Men's \$2 Shoes for 98c.
Women's \$2 Shoes for 98c.

And so it goes through the entire stock, Men's, Women's, Boys', Girls' and Children's Shoes.
It will pay to come miles.
It will pay to order by mail. Just tell us what you want, we'll satisfy you or return it.
(Think of getting into a manufacturer's stock at such prices. Why, every man should buy a two years' supply.)
