

IN THE ODD CORNER.

SOME STRANGE, QUEER AND CURIOUS PHASES OF LIFE.

The White Goat Found Amid the Highest Peaks of the Rocky Mountains—From Heretic in Hair—Curious of the Day.

Upon Heretic in Hair.

Like not May for reasons of mine... I like not May for reasons of mine... I like not May for reasons of mine...

The Great Auk. There are only four specimens of this great and curious bird preserved in this country...

An Explosive Bean. A peculiar vegetable product of Java is a bean-like pod containing the seed of the plant...

The Largest of the Family of Auk. The largest of the family of auk measuring 25 inches in length. The plumage was a glossy black above...

Composition of Austria's Lower House. Austria's lower house of the reichsrath is a complicated body...

The White Goat. One of the queerest records in America, writes Theodore Roosevelt in his book...

Canada's Immigrant Arrivals. The annual report of the Department of the Interior of the Dominion just issued shows the total number of arrivals...

Preserved Potatoes. The opening up of a demand for potatoes peeled, sliced and dried, like apples...

Backpedaling. The inefficiency of back-pedaling as a substitute for a brake was again illustrated in an accident with John Greib...

Wood-Stone. From a mixture of magnesia and sawdust, subjected to high temperature and great pressure, Dr. Otto Lehmann has produced a substance which he calls "lyolit" or "woodstone"...

A Fake. Yeast—What do you think of that man, Bibb? He reads the future, you say. He reads the future by washing...

BELEA'S ATONEMENT.

By Anna Holmes. W.D. figures stood under the shade of a huge tree in a hillside garden...

She was a young girl, slender, strong, erect, radiant, and the other drooping, timid and nervous...

The young, Rodney Kirke, was a fine looking young fellow of twenty-eight, who had been a student at the law...

When it came to the point of the rapid changes that first had taken place in his life...

He was content, therefore, to let his life narrow to the limits his uncle dictated, until about two years before he died...

When it came to the point of the rapid changes that first had taken place in his life...

He was content, therefore, to let his life narrow to the limits his uncle dictated, until about two years before he died...
