

An ambitious negro admits that it makes him blue every time he remembers that he is black.

Edison makes has resigned again. That makes no practical difference to the public.

The Montana man who is shedding his skin formerly lived in Chicago. Of course he had to get out of town just as soon as skin games were interdicted here.

John R. Lynch, the negro political leader of Mississippi, intends moving to Louisiana. Where he thinks there is a better chance of success in politics than in his own state.

Good government in lack of funds. It is not possible to be too conscientious, though it is easy to imagine that conscientiousness is a virtue.

It is not possible to be too conscientious, though it is easy to imagine that conscientiousness is a virtue. In a recent religious conference a devout missionary objected to accepting a millionaire's gift of two hundred and fifty thousand dollars for his missionary purposes.

A patent has been issued in the United States for a new process of waterproofing textile fabrics. In carrying out the process the fabric to be treated is wetted with water and placed between sheets of paper.

Then the trumpets sounded the advance. Veterans of the war passed in review. Hitting their hats in salute to the bronze replicas of their officers.

Some one has figured out that 1,100 years the Rev. Dr. S. S. Mitchell has been installed as its regular pastor.

Everything that could be done to make of this occasion a memorable event was done.

After filling the pulpit of the First Presbyterian church at Buffalo for six years the Rev. Dr. S. S. Mitchell has been installed as its regular pastor.

GREAT SOLDIER WOUNDED.

Imposing Ceremonies at General Logan's Monument.

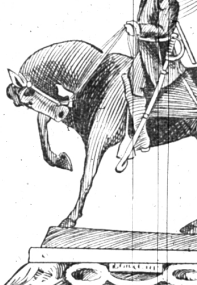

SIX STATES REPRESENTED.

Veterans Who Had Followed the Hero of Atlanta to Glorious Victory, and Youth Taught to Revere His Name, Marched in a Magnificent Parade.

Thousands of Citizens Witnessed the Unveiling.

The center of Chicago, of Illinois and of half of the rest of the morning was a little mounded on the lake front just high enough to catch the first rays of the rising sun.

As the clocks struck 1 a little boy who bears a name that is indelibly written on the pages of this nation's history, at once the darkest and the most glorious, tugged at a cord. The flags fell apart.

THE LOGAN STATUE, LAKE FRONT PARK, CHICAGO.

against the sky as if galloping through the smoke of a battlefield—the very Genius of War embodied in skillful portraiture of a man who was one of the best and noblest.

Acceptance on behalf of the state of Illinois. Presentation of a monument to Major General John A. Logan.

Men who marched and fought with Logan, men who knew him beside the hearthstone of his own home.

Actor Seabrook has been ordered to continue paying \$10 a week annually to his wife.

Some one has figured out that 1,100 years the Rev. Dr. S. S. Mitchell has been installed as its regular pastor.

Everything that could be done to make of this occasion a memorable event was done.

that he could not be expected to tear himself away. The same influences held Senators Cullom and Mason in Washington.

The ceremonies at the monument were as follows: The Assembly Trumpeters (Phibney's United States Band), Prayer, Dr. Arthur Edwards, Music, "Columbia, the Gem of the Ocean," Presentation of monument to the State of Illinois by Henry W. Blodgett.
