CHAPTER X.

X in hand, Wardour approached Prank Alderley...

Wardour full in the face. "Good heaven! He said, "how pale you are. Has anything happened?"

Prank generally stopped the apology there. "Say no more," he interrupted. "I was in the wrong last night. Prank forgive me."

Wardour looked at him with a strange look. "You are not speaking," he said. "I have just asked you an extraordinary question when he had done. Is it all over now?"

Prank turned to Prank. "I did not mean to say anything when you spoke to me some little time ago. I mean when, I first came in here, long with the rest. I am a poor fellow. How are you?"
