

THE 56TH CONGRESS AT WORK.

CONGRESS IN GENERAL. BRIEF MENTION OF EVENTS OF INTEREST.

Coal Miners in Five States Strive for Wages Enough to Keep from Starving.—Torch Heat Causes Much Disease and Many Deaths.

Many Thousands Men Idle. Dispatches from various coal mining centers show that circulars have been placed in the hands of thousands of unemployed coal miners in the United States calling them out to strike.

A Leg and a Head With Closed.—The meeting of the failure of the joint wage conference of the Amalgamated Association of Iron and Steel Workers and the operators recently agreed upon at the Youngstown, O., conference nearly all of the union mills in the country are now idle.

Many Slain by Heat. After one of the coldest springs ever known a torrid summer broke in upon the central and western states which in the first week of July became simply intolerable.

Nine Killed by a Boiler Explosion. Nine men were killed and five were badly injured on the first of the week, when a boiler exploded at the Allen, near Hartsville, Tenn., by the explosion of the boiler of an engine of the Alabama, owned by the Alabama and Mississippi Canal Co.

Several Years Ago Allegan Township, Allegan county, agitated the subject of good roads, with the result that there are now 20 miles of graded and gravelled turnpikes, in place of what were once sandy washes.

Michael House, aged 70, of Niles, Ill., was killed by a train at Chicago. Several years ago Allegan township, Allegan county, agitated the subject of good roads.

SEVENTEEN CONDEMNATIONS. Michael House, aged 70, of Niles, Ill., was killed by a train at Chicago. Several years ago Allegan township, Allegan county, agitated the subject of good roads.
