## MERE MENTION OF MICHIGAN MATTERS.

**Fire Destroys the Town of Lake Ann; Rendering Several Hundred People Homeless and Without Food—Deaths Caused by the Hot Weather.**

**Village of Lake Ann Burned Out.**

Lake Ann, a village of 800 inhabitants on the Manistee & Northeastern railroad, 18 miles south of Traverse City, was almost wiped out of existence by fire. Seventy-five families are homeless and as every store in the town was destroyed there was not food enough for even one meal for half of them. The fire broke at 1 p. m. in the mill of Wm. Habbler, presumably from the engine room. The high wind blowing from the southwest spread the flames through the main portion of the town very swiftly. The business part was cleaned up in an hour, including all stocks of goods. The saw mill, stave factory, cooperage sheds, warehouses and the large stock of lumber of Wm. Habbler were a total loss. Traverse City was asked for help, and an engine and crew were sent by special train, but it was almost too late. The additional help saved about half a million feet of lumber, the cooperage factory and a dozen small dwellings on the outskirts. The burning of the mills and factories throws the main portion of the males out of employment. The heaviest loss was sustained by Wm. Habbler, who will lose about $50,000. Putnam & Burnett lose about $10,000. Other losses on stores, business structures and dwellings and furniture range $150 up and brings the total to about $125,000. Habbler has $5,500 insurance, Putnam & Burnett $2,000 and scattering about $3,000 more.

Mrs. Masters, aged 80, was cremated. She escaped once from the burning dwelling, but returned for valuables, when the building collapsed and all efforts to rescue her were unavailing.

**Seven Fatalities From Heat in Detroit.**

Seven deaths on account of heat occurred in Detroit and vicinity, Mrs. Kowalski, of Portland, Mich., who was visiting at 655 Willis avenue east, died from heat prostration. Mrs. Catherine Orr, of 864 St. Aubin avenue, died from the effects of exposure. She worked several hours in the broiling sun during the day, and frequently took ice-cold drinks. Robert Plath, of 24 Scott street; Henry Lang, who died in a hay field near Wyandotte; Bridget Leonard, aged 54; Otto Bierman, aged 24, and Patrick Crimmins, aged 61, were other victims of the heat. The physicians reported 25 to 30 cases of prostration from sunstroke, none of which were serious.

**Heat Kills Three at Grand Rapids.**

The first fatal case of sunstroke at Grand Rapids occurred when the body of Henry Wierenga, a farmer, was found lying by the roadside just outside the city. Wierenga was a well-known resident of Ottawa county, and had a large family. Mrs. Melinda Anderson, aged 69, a farmer's wife, from Walker's township, came to the city to visit relatives and after fighting the heat all night she became desperate and took a dose of morphine and was found dead an hour afterward. Mrs. Jane Hildreds, aged 60, died of sunstroke.

## HOW TO FIND OUT.

Fill a bottle or common glass with urine and let it stand twenty-four hours; a sediment or settling indicates a diseased condition of the kidneys. When urine stains linen it is positive evidence of kidney trouble. Too frequent desire to urinate or pain in the back, is also convincing proof that the kidneys and bladder are out of order.

**WHAT TO DO.**

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in relieving pain in the back, kidneys, liver, bladder and every part of the urinary passages. It corrects inability to hold urine and scalding pain in passing it, or bad effect following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to get up many times during the night to urinate. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists, price fifty cents and one dollar. For a sample bottle and pamphlet, both sent free by mail, mention The Eccentric, and send your full post-office address to Dr. Kilmer & Co., Binghamton, N. Y. The proprietors of this paper guarantee the genuineness of this offer.

## Blue Ribbon Meeting.

On July 13th, the opening day of the Blue Ribbon meeting on which day the great $10,000 Merchants' and Manufacturers' stake will be trotted, all the railroads in Michigan will make a half-rate from all points within 155 miles from Detroit for the round trip on all other days of the meeting, from July 14th to 23d inclusive, the rate will be one fare and one-third between the same points.

The Management have engaged the guideless wonder, Marion Mills, 2:06¼, who has appeared before hundreds of thousands of delighted admirers. She is turned loose upon the track and with no guide save her own intelligence, makes the circuit in marvelous speed. She is by the records the fastest pacing mare alive, and will perform on three separate days.

On July 10th the two kings of pacerdom and of the turf, John R. Gentry and Robert J., will go against the world's record of 2:00¼. There will be nothing of the hippodrome about these trial miles. Each horse driven separately for a large purse will endeavor to beat the present record and establish a new one well within the two minute mark. No meeting has ever offered such attractions and Mr. Tewksbury has laid a wager that on the day his horses perform over 25,000 people will be on the grounds.

These extraordinary attractions obtained by great enterprise and the expenditure of a large amount of money will in no way interfere with the regular performance of three races for each day, but will be in addition thereto, so that pleasure will be afforded to the different tastes of all who are in attendance, which means a majority of the people of the state of Michigan.

The Metropolitan Band of Detroit, and Liberath's great 5th Regiment Band of the 69th National Guards, each of forty pieces, will be at the Park the first and second weeks respectively, of the meeting to furnish music especially adapted to the occasion.
