## Pill Clothes.

The good pill has a good cost. The pill cost nerves two purposes; it protects the pill, enabling it to retain all its remedial value, and it disguises the taste for the palate. Some pill costs are too heavy; they will not dissolve fine stomach, and the pills they cover pass through the system as harmless as a bread pellet. Other costs are too light and remuit the through the system as harmless as a bread pellet. Other costs are too light, and permit the speedy deterioration of the pill. After 30 years exposure, Apris Sigar Costed Pills have been found as effective as if just fresh from the laboratory. It's a good pill with August cyal cyat. Ask your druggist for

# Closest Detailed Inspection.

Every single one of the many parts of a Columbia bicycle is passed several times through the hands of skilled workmen who examine it in the utmost detail. Such an elaborate system of inspection is expensive, but no expense is spared in building Columbias. They are as near perfection in adjustment and fish as human incompilar metables. ment and finish as human ingenuity can make them.
