One of the sweet satisfactory things to find out in adversity is the number of friends you have and their kindly expressions over the failure to win out after all of recompense for the loss.

I thank my friends for their liberal support and especially my republican friends who gave me a majority of 71 instead of 87 in a vote on a ticket that was 170 republican majority. Good enough for anybody.

Dear Sir:--While on my way with a bad cold and demanding the presence of the good old democratic party, my mind turned to those who also were candidates as members.

Dear Sir:--I don't know you, but I don't know your name, but I don't know your name, but I don't know your name.

DEAR GEORGE:--I don't write a long mournful letter of condolence, but will just repeat what Mr. Hovey said to me once when we were together.

"A LIE ON THE OCEAN WAVE." A Brief Account of Proceedings on the "Vosemite" from April 24th to August 24, 1898.

The following sketch, tho' perhaps a little on the "back number" list is decidedly interesting to people in this vicinity.

Not long ago a vessel of the name of "Vosemite" was chartered for public exhibition we were fortunate enough to obtain it for these columns.

When we first arrived on the U. S. Navy at Norfolk and staid on board the navy ship "Franklin" which was carrying the flag ship in the Civil war from '61 to '65.

After Three Years of Intense Suffering, Ira P. Barnum is at Rest. About one o'clock last Sunday morning, November 13, one of Royal Oak's most esteemed citizens was called to the presence of his Maker.

Mr. Barnum was indeed the victim of a double affliction having in addition to the disease above mentioned been totally blind for over a year.

When about 17 years of age, Mr. Barnum enlisted in the Rebellion, serving three years in the regular army and receiving two wounds in his service.

Mr. Barnum had spent a greater portion of his life in the vicinity of Royal Oak, and had won a large circle of friends.

sees for weeks, and the best of all she had 12 bags of mail orders to sail the following day for St. Thomas, Danish W. I., a nine-hour run from Kingston.

Mr. St. Nicholas is the finest city we ever saw. It is built on three high hills and lies in the shape of a triangle.

From there we came to Newport News for repairs and made the run in four days and eight hours. We were out of sight of land for three days and had no ball astern on the whole trip.

We sailed around the Roads a few days, then out of our going home via the Grand Island Navy Yard, Pa. where we arrived August 18th, after a 12-hour run, and were warmly greeted by all.

You ought to have seen us when we were called up to the fore-castle and not fled at the sight of our being discharged on the morning of the 19th of August.

With Traver Quality you have the BEST. COMMONSENTIAL. A low price for a cheap article is exceedingly ordinary.

The main objection with most stores is to see how "cheap" they can buy goods--they can get clothing that looks good enough to sell for ten dollars the suit, they try to buy it for four or five dollars.

\$10 SUITS FOR MEN. \$10 OVERCOATS FOR MEN. It will take fifteen dollars to get equal value at the other stores.

R. H. TRAVER, Detroit, Mich. Orders by mail have personal attention.
