" 75c " "......50c
" \$1.00 " "......62½c

The samples will not last long and cannot be duplicated.

S. N. PECK,

Peck's Corner, Saginaw and Huron Sts., Pontiac.

OUR UNCROWNED RULERS,

A box of bricks will afford great amusement to a child on a rainy day. There is an excitement in building up houses and knocking them down again. Every morning, after the baby's hair has been washed and well brushed, do not leave it nites and amnorth and tidy, he had all when the same and t

lesson, and a thorough training of the child in this respect will have much region to the child in this respect will have much region to the child in this respect will have much region of the part of the children althe on the same footing of unselfish good comradeship.

There is but one railroad in the Philippines, from Manila to Dagupin, a distance of 123 miles.

The United States trade with the islands during 1897 amounted to \$4-38,740 imports and \$94,697 exports.

The increase shown during the month of February of the propent year in the custome of Manila, soonpared with that in the same period of 1897, summunet of \$67,940.40.

During 1897 there was an increase in the exports of hemp from the Philippines to the United States of 123,898 bales, while to Great Britain there was a decrease of 22,348 bales.

According to the report of the Brit-According to the report of the Brit-

a decrease of 22,348 bales.

According to the report of the British foreign office, the total imports into the Phillippine Islands in 1596 were valued at \$10.631,250 and the experts of \$20,175,000. About 13 per cent of the imports from Spain.

Of the total exports of hemp from the Phillippines for ten years ended 1897, 41 per cent went to the United 1897, 41 per cent went to the United During the same years the Phillippines for ten years ended the phillippines for ten years ended the phillippines for ten years the phillippines for ten years the phillippines for ten years described to the United States, 665,391 tone to Great Britain and 41,362 tons to continental Europe.

ONE HUNDRED YEARS AGO.

There was not a public library in the

United States.

Almost all the furniture was imported from England.

Every gentleman wore a queue, and powdered his hair.

An old copper mine in Connecticut was used as a prison.

was used as a prison. They was only one hat factory, and that made cocked fairs. Clockery plater were objected to because they dulted the kindives. Viginia candidad a fifth of the whole population of the country. A man who fered at the preacher or criticized the segment was fined. A gentleman bowling for a lady always scraped this foot on the ground. Two stage coaches tore all the travel between New York and Boston. A day labors considered himself well paid with two shillings a day.

Heavy single doors, such as are used in the United States, are practically inthesevrin the Mexican houses, either at entrances or between interior rooms. All doors open in the middle and are hardware and the states of the states of open court are fitted with solid shutters that are folded at the solid shutters are f
