"All my wife would be almost jealous of this monopoly of my time. "On the occasion of one of his visits, Horace told Dick of the close friendship that his profession gave him chances for closely observing the dying; that Elizabeth and her husband were so main apparently oblivious to everything around them for a long time, then suddenly awake to consciousness on the brink of death. "All my wife would be almost jealous of this monopoly of my time. "On the occasion of one of his visits, Horace told Dick of the close friendship that his profession gave him chances for closely observing the dying; that Elizabeth and her husband were so main apparently oblivious to everything around them for a long time, then suddenly awake to consciousness on the brink of death.

"For goodness sake, Horace," I exclaimed, "tell me you are becoming a spiritualist!" "Not a bit of it, John," he answered. "So-called spiritualism is disgusting to me. "For goodness sake, Horace," I exclaimed, "tell me you are becoming a spiritualist!" "Not a bit of it, John," he answered. "So-called spiritualism is disgusting to me. "For goodness sake, Horace," I exclaimed, "tell me you are becoming a spiritualist!" "Not a bit of it, John," he answered. "So-called spiritualism is disgusting to me.

"I should have known to the contrary," said Horace, and confessed that he was really on the summit of Pike's Peak in person that evening. "I should have known to the contrary," said Horace, and confessed that he was really on the summit of Pike's Peak in person that evening. "I should have known to the contrary," said Horace, and confessed that he was really on the summit of Pike's Peak in person that evening.

"I was interested in knowing that Horace was now reading in Chicago and married to the woman of his choice. "And now, gentlemen, with your permission, I will drink a bumper to the decline of superstition and the triumph of scientific sense in this good land of ours. "I was interested in knowing that Horace was now reading in Chicago and married to the woman of his choice.
