

IN THE ODD CORNER.

SOME STRANGE, QUEER, AND CURIOUS PHASES OF LIFE.

A Remarkable Phenomenon: The Portrait on One Side—A New Automatic Thermometer—The Pearl Oyster—The Head of the Mosquito.

Caracasone. I'm growing old. I'm sixty years; I've written a book or two...

They tell me every day in there. No shirring robes and garments fair...

They settle down on the prothorax, and on the base of the wing covers, sometimes half a dozen females on one...

They pardon, father, I beseech. In the prayer if I offend...

My grandchild has seen Periphan. And I have not seen Caracasone.

My automatic thermometer. A thermometer being manufactured in Vienna by the aid of which it will be possible to keep rooms at an even temperature...

One of the oddest sights on the sands stretches of plain in southern Africa is a party of waiting ostriches.

There are a number of them that they start off in the morning and after running a few miles they will stop...

Remarkable Cur. Here is a most curious specimen of fruit it is called "a portrait" on one side.

The Pearl Oyster. The pearl oyster is the animal from which those highly-valued ornaments...

The Head of the Mosquito. The back of the mosquito is simply a case containing a set of six miniature surgical instruments...

Keep Your Troubles Sacred. A wife whose life can not have been an unbroken life...

Death-Watch and Bookworms. The curious little insect called the "death-watch" is a kind of beetle...

Some of the most deadly serpents have the frightful skin. Even calabar, that dread breeder of the most terrible small white worms...

The devil catches every fish that bites at his bait. To Cure Constipation Forever. This is a new and reliable medicine...

Smoke Sledge Cigarettes, 20 for 5c. If London streets were put end to end they would stretch 100 miles.

Some Very Interesting Experiments That Have Been Made. Although the methods used for measuring the memory may have been...

Placed Their "Head Hides". That certain flies will steal a ride on the back of a mosquito...
