

TESTS PATIENCE

The Most Patient People Must Show Some Patience at Times. Nothing spurs a good disposition quicker. Nothing tests a man's patience like any fineness of the skin.

HOW RELIEF CAME

When I gripped I visited the city of New York. I was in the city of New York. I was in the city of New York. I was in the city of New York.

After using my medicine for a few days I was satisfied that the pills were doing me good. I was in the city of New York. I was in the city of New York.

The Cardinal's Career. In the late Mr. Pitt Byrne's recent book, "Social Hours with Cardinals," some of the incidents are related by Cardinal Manning.

Give the Children a Drink called Grain-O. It is a delicious, appetizing and food giving tonic.

Do Not Tobacco Sip and Smoke Your Life Way. To quit smoking, use the "No-Tobacco" medicine.

Do Not Tobacco Sip and Smoke Your Life Way. To quit smoking, use the "No-Tobacco" medicine.

"BIG FOUR ROUTE" THROUGH THE GREAT EASTERN CITIES.

I have a plan.

By Robert Louis Stevenson.

CHAPTER I. I was a young man when I was young. I made it my pride to keep aloof and suffice for my own entertainment.

CHAPTER II. I returned to the den in great mood. I was as well as care for my horse, whom I had somewhat neglected in the morning.

CHAPTER III. I returned to the den in great mood. I was as well as care for my horse, whom I had somewhat neglected in the morning.

CHAPTER IV. I returned to the den in great mood. I was as well as care for my horse, whom I had somewhat neglected in the morning.

CHAPTER V. I returned to the den in great mood. I was as well as care for my horse, whom I had somewhat neglected in the morning.

CHAPTER VI. I returned to the den in great mood. I was as well as care for my horse, whom I had somewhat neglected in the morning.

CHAPTER VII. I returned to the den in great mood. I was as well as care for my horse, whom I had somewhat neglected in the morning.

AN OPEN LETTER TO MOTHERS.

Dear Mother, in the course of my life I have seen many mothers who have neglected the health of their children.

Dear Mother, in the course of my life I have seen many mothers who have neglected the health of their children.

Dear Mother, in the course of my life I have seen many mothers who have neglected the health of their children.

Dear Mother, in the course of my life I have seen many mothers who have neglected the health of their children.

Dear Mother, in the course of my life I have seen many mothers who have neglected the health of their children.

Dear Mother, in the course of my life I have seen many mothers who have neglected the health of their children.

Dear Mother, in the course of my life I have seen many mothers who have neglected the health of their children.

Dear Mother, in the course of my life I have seen many mothers who have neglected the health of their children.
