Recklessness of a Gay Irishman Named

WAR CORRESPONDENTIN SPAIN
Recklasures of a Gay Inthuma Named
Edward O'Donorae.

The war correspondents of the days
of the Carlist insurrection in Spain
were as dare-devil a crew as ever lived,
says an exchange. This is the story of
the first meeting between two of them,
Leader and Edward O'Donovan, another
leader was in compyand of the
rishman, as say and reckless as himself. Leader was in compyand of
the height of the hirdfrection, when
one day he espled a strange figure clad
in a long, dilapidated overcoat approaching the walls. The Spanish sentries yelled to the suspicious visitor
to hait; and as he took no notice of,
them they fired on him, and the buillets kicked up the dust all around the
tange. The substance was
at the double, until he reached the
walls of the fort and a rain of builets.
"Cease fring, ye blackguards:" he
shouted in the simplest dialect of
southern Cork. "I'm Edward O'Donovan, and how the blazes can i get in
unless you open the gate!" Thus it
unless you open the gate!" Thus it
was that Edward O'Donovan, who was
attached to the government troop, at
this story is vouched for by Mr. C. S.
Ryan.

SICK ANGELS ON THE ELEVATED

an all-nighter. "A man in my car was sick. He raised a whow and put his head where the air could strike it, but that did him no good. He went to the platform and stood there bareheaded him to be allowed. Later, after the patient and left the train, I saked the guard of the was a doctor. He said he was not, but that he always carried something for the benefit of sick passengers. It is customary? I saked. No, he replied, there is no rule for it. An old man in the service, however, most always goes prepared for such things. I learned the habit when I was on shipboard. Does the company reimbures you." Not much. But sometimes I get a sick angel unawares, and by don't most much. But sometimes I get a sick angel unawares, and by don't most much. But sometimes I get a sick angel unawares, and by don't not much. But sometimes I get a sick angel unawares, and by don't not much. But sometimes I get a sick angel unawares, and by don't not much. But sometimes I get a sick angel unawares, and by don't not much. But sometimes I get a sick angel unawares, and by don't not much but sometimes I get a sick angel unawares, and by don't not business without variation or interruption when it was hanging up or carried in the ordinary position.

A Liquid Air Espisaire.

When liquid air, containing from 40 to 40 or execution of the containing from 40 to 40 or execution of the containing from 40 or execution of the containing from 40 or exploded by means of a detonator. This new explosive has been tested in a coal-mine at Pensburg, Germany. The liquid air evaporates so rapidly that the explosive cannot be stored, but must be used within a few minutes after it is prepared.

Often the Rest Source.

Difficulty, adversity and suffering are not all svil, but often the best source of strength and virtue. Some men only require a great difficulty to set in their way to axhibit the force of their character, and difficulty, once conquered, becomes one of the greatest intensitives to their progress. It is not prospertly so much as adversity, not wealth se much as poverty, that stimulates the perseverance of strong and healthy natures.
