BY JAMES GRANT. *****************

schoors. but felt too feeble and sick at heart, and now with the coming of the shadow of night a ghoat story of the butch skipper recurred to me.

Thirst was now becoming an agony, and I inhaled the dewy atmosphere in vain, for its property area of the shadow, and the shadow of the shadow, and seeking the bed in the captain's berth, drew the clothes over me and strove to sleep—and so weary was it hat sleep came.

I was suddenly roused by a violant lurch of the schooner.

On reaching the deck, I found that a gale had again come on, and that the sea was withread with foam, and which the seabrids were blowned with the seabrids were blowned was now on the wane, and shed a cold, wirld light between the black masses of flying scud, spon the tumbling billows and the empty schooner. Which yet fleated blowyantly sough. But also now careened fearfully to present the ware of seating water, and the schooner groaned and trembled as wave after wave thundered on her empty and reware th

fantastic situations created by the fancy has leep.
Suddenly, amid the stupor that was coming over me, I heard a voice and saw a large brig looming between me close by, with her courses, topasils, 11b and fore-and-aft mainsall set, but with her foreyard laid to the wind as she lay to. Then I heard the rattle of the blocks and tackle, as a boat descended from the stern davits with a spinsh into the sea.

"Cheerily, now, my lads, give way:
"cried the voice I had heard before:
"pull to windward round this craft, and
overhaul her."
"There's a man in the fore-rigging!"
"There's a man in the fore-rigging!"
"Then stand by in the bow with the
boat-hook."
I strove to speak, to shout; but my
voice was gone.
"Spring into the sea," cried a voice;
"do you hear me, you sir—you in the
fore-rigging there! Jung in; we canthe construction of the control of the concontrol of the control of the control
"Don't fear, my lad," cried others;
"well pick you up."
But I was powerless, blinded by
spray; and thouch unable to respond,
clutched the rattlins with fatuous endupon me, and felt myself dragged into
the boat.
"Shove off, shove off—give way! this
craft will sink in a minute," cried some
one; "give way for the brig!" and just
as they turned the head of the boat toward their vessel, the Dutch schooner
ward their vessel, the Dutch schooner
crash as her deck burst up, and then a
sob seemed to mingle with the air
that was expelled from her hold as she
filled and went down like a stone.
Though I had been so long unseen,
I atdyward learned that at this time
the were not less than fifteen sail

hospital, and he had good care."

The Wrose Lee.

A well-known Archibishop of Dublin was, toward the end of his life, afficied by his abence of mind, that led often to startling developments. The most devout of men, the bear of husbands, he figured in one anecdote that might have got a less well-known pietist into trouble. It was at a diner given by the Lord Lieutenant of the company was startled by dinner given by the Lord Lieutenant of the company was startled by dinner the company was startled by dinner the company was startled by the Archibishop rise from his eest, looking pale and agritated, and crying: "It has come, it has come," "What has come, your Graces" eagerly cired half a dozen voices from different parts of the table. "What I have been expedited for some year—a stroke of parvivels" solemniv answered the Archibishop." In have been pinching myself for the past two minutes, and the control of the particular strong was a control of the control of the particular strong was decided in the control of the particular strong was decided to the control of the control of the particular strong was decided to the control of the

me for contradicting you, but it is me that you have been pinching."

Lord and Minister.

The Scottish Leader says that the former Lord Elphinstone's parish minister was a very scatter-brained theologian, and in his sermons often knew not the end from the beginning. One Sunday his Lordship, in his customary sieeping, gave vent to an immistate, the same of the minister, who stopped and entire "Waken, my Lord Elphinstone". A grunt followed, and then his lordship answered: "I'm no sleepin,' misister,' "But ye are sleepin.' I waser ye dinna ken what I said last, 'scatimed the pastor. "Ou. ay," returned the peer. "Ye said, 'Waken, my Lord Elphinstone." "Ay, ay," said the minister. "But I waser ye dinna ken what I said last afore that." "Tuts," replied the nobleman, promptly. "I'll wager ye dinna ken yerseli." domethe ship in a flerce gale on Juna, inster was a very scatter-frained theologian, and in his sermone often knew on the end from the beginning. One stated on penguin ergs and the fleash of the construction by the construction of the commissioners, who negotiated the construction of the commissioners, who negotiated the translation of the commissioners, who negotiated the correspondence and reports relating to their work of the memory of the intertory. The bill was made a noticular of construction of the commissioners, who negotiated the construction of the construction of the commissioners, who negotiated the construction of the commissioners, who negotiated the construction of the construction of the construction of the commissioners, who negotiated the construction of the construction of the construction of the commissioners, who negotiated the construction of the commissioners, who negotiated the construction of the construction of the commissioners, who negotiated the construction of t

The morning was fine and warm; the advitight was open, and a pleasant current of air passed through the clean, except the plates and a pleasant current of air passed through the clean, cloth was on the table, across which there were leabed certain hars of wood, technically termed a fiddle, to keep the plates and glasses from falling to leavard; and not looking from my curtained berth (for I was not permitted and cheese; and busy the while with charts and compasses, as they were comparing their nautical notes and or servations.

Inches a compasse, as they were comparing their nautical notes and or servations.

In the continue of the control of Maila dispatches any: The insurgents refuse to liberate the Spanish and all as prisoners, on the demand of the held as prisoners, on the demand of the held as prisoners, on the demand of the beconstrued as an act of submission to the United States. With regard to liberating the monks, the inaurgents integd to negotiate with the valiena directly. Gen. Rios (Spanish) has now uniquest conserving the prisoners.

Another Rulroad Wrest.

Four dead, two injured, and the loss of about \$100,000 worth of property is the result of a head end collision on the Knoxyline & Ohio foranch of the Southern railroad. A double-header freight train, loaded with coal and the state of the southern railroad. A double-header freight train, loaded with coal and hour. The engines met head on, the force of inpust being terrifie. The coming together of the two trains was so sudden that the trainmen were unable to jump and save their lives. Imcaught first and the force of inpust being terrifie. The coming together of the two trains was so sudden that the trainmen were unable to jump and save their lives. Imcaught first and but for the timely assistance of a fire engine from Knoxylile the entire two trains would have been consumed.

Youthed Train Robbers.

Two Topeka boys, scarcely 13 years of age, who were arrested during the fall festival last September for holding up a farmer, and who were sent to the Hutchinson reformatory, are responsible for the Missouri I facilie hold-up up a farmer, and who were sent to the Hutchinson reformatory, are responsible for the Missouri I facilie hold-up (Sept. 2) last. This is the robbery for which desse James, Jr., is now under indictment in Kanasa City. One of the boys has made a written confession, and has divulged where the booty, some \$1,000, is hidden in the woods.

Cast Away for 184 Daya.

The crew of the British bark Glenhuntley, 11 in number, long given up for lost, are alive and well, and are on the lost of th

DOINGS OF CONGRESS.

The anti-civil service reformers in the house scored a victory. The legislative, executive and judicial appropriative, and the proposed consideration and when the appropriation of the provision was reached Mr. Erans (Rep. Ky.) made a motion to when the appropriation and when the appropriation and the provision was reached Mr. Erans (Rep. Ky.) made a motion to strike it out. The motion careful—47 to 61. However, as this was in committee of the whole, where no record friends of civil service hope to restore the provision when the vote comes in the house. During general debate on the bill Mr. Swanson (Dem. V.a.) delivered a speech on anti-imperialism. The house of the committee of the committee of the Cubans were to become the designed of the committee of the Cubans were to become the designed of the theory of the Cubans were to become the designed of the theory of the Cubans were to become the designed of the theory of the Cubans were to become the designed of the theory of the Cubans were to become the designed of the theory of the Cubans were to become the designed of the theory of the Cubans were to become the designed of the theory of the contention. The first session of the seate after the holiday recess occupied only 1st insulates although in that brief time two open sessions and an executive session were held. After prayer the sion was dispensed with and Mr. Frys. who was in the chair, immediately recognized Mai, Pruden, assistant secretary to the President, who presented a message from the President of the United States. The message contained the theory of the theor
