Great Herd of Picked Animals at the Presidio.

Cavalry horses to be used in chasing the Philippine insurgents. Landon has been and are being rapidly assembled at the Presidio, San Francisco, preparatory to shipment to Manila in special transporters...

As they are sent to Manila in transports one man is assigned to accompany each 15 animals and care for them on the voyage. One notable difference distinguishes the Kentucky horses from the others...

THE PET OF THE BARRACKS.

Practically every returning American officer declares that cavalry is needed to put a speedy end to the insurrection. The Filipino was terrified by the wild yells the Americans gave when charging the native trenches...

Philippine campaign, so that horses will weigh not less than 500 nor more than 1,000 pounds, and stand from 11 hands to 14 hands two inches. Many Chirographic Puzzles.

When the sailing vessel Tacoma landed in Manila last January, before the rebellion, with 37 American horsemen, the Philippine campaign, so that horses will weigh not less than 500 nor more than 1,000 pounds...

IN THE CORRAL.

and 119 government mules, the natives were mildly awed by the strange long-necked creatures they had never seen before. The groomer sets an example of early rising, and it is not unusual for him to call a cabinet meeting at the unholy hour of 2 in the morning...

Several hundred of the horses arrived at the Presidio sick, and practically all of the ailing ones were from Illinois, Nebraska and Kentucky. It is the opinion of the military authorities that the western mustang is harder and better suited to roughing it...

A few days ago the crew of a trawler engaged in lobster fishing near Kinshasa had great difficulty in getting their haul, which was a fish of a size in some massive, hard substance in the sand bank. With great trouble they succeeded in bringing to the surface...

which probably belonged to one of the ships of the Spanish Armada, which was wrecked on this coast, must have been embedded in the sand for upward of three centuries, and is considered a marine matter which, in the course of centuries, has been converted into a hard, rocky fossil substance...

CRISIS IN GUATEMALA

Civilian Enabled to Help War Government. "A quaint experience once had in the interior of Guatemala," said a former resident of that republic...

The general army rule prescribed that cavalry horses must be from 15 1/2 to 16 hands high, and weigh not less than 950 nor more than 1,150 pounds. This rule has been modified for the...

As a corollary to the recently issued report of the postmaster general, habitants who are insufficiently or obscurely addressed letters is dealt with, it may be noted that the department had many tough tasks to deal with...

SHE CARRIED THE OBELISK.

Once Eloquent Vessel Lost as a Coal Barge. A vessel which was once a famous steamer, but is now a commotion-making coal barge, is in port today...

The obelisk was traced along the keelson and stout shoring fixed about it to make it immovable. After everything was made shipshape and the ribs and stanchions were replaced at the bow of the steamer she set sail for New York on June 12, 1880.

Chinese Daily Life.

In the Forum. Joseph King Goodrich tells of life in China. The day begins early and ends late. The afternoon siesta is popular in China, as the inhabitants have to bath in the open air...
