THE ECCENTRIC, Birmingham, Mich.

# L. A. Smith & Co.

185-170 Woodward Ave., Detroit.

May well be styled the Underwear House of Michigan. In addition to the celebrated Dr. J. Aiger's Sanitary Wool and the unexcelled Yphanti Heat and Wool, silk, muslin and cotton, they carry the best possible values in low priced underwear.

It seems almost incredible that a heavy second jersey ribbed Ladies' garment can be retailed for 25c, however such is the case; also Men's heavy cotton-fancy for 30c. Combination garments are growing in favor, prices range from \$1 to \$25 each. Ladies' Turtlets come in cotton, silk and wool, a most comfortable and sensible garment, ranging in price from 50¢ to \$1. Children's Underwear in every conceivable grade and price.

### ROYAL OAK.

Miss Lettie Russell is on the sick list at the present writing. Dr. Wemp's daughter from Oxford, visited her parents Sunday.

Two arrivals at the home of Mr. and Mrs. Westler—a pair of twins. Mrs. Jansen, of Detroit, spent Thursday with friends at this place.

The M. E. Ladies' Aid met with Mrs. W. Campbell Wednesday afternoon. W. H. Ford, of Orion, visited his brother, Rufus, in Ford, at this place, last week.

All those wishing a nice book should patronize Mrs. Loucks, as she is selling one.

The pastor of the M. E. church and his lady were out calling on the 24th, and the Literary Society will meet with Miss Florence Wheeler next Friday eve.

Cassius Carter and wife of Birmingham, spent Sunday with friends at this place.

The home of Mr. and Mrs. P. Davis was brightened by the recent arrival of a little daughter.

Little Clarence Baum has been very sick for the past week but is some better at present.

Mrs. J. Heavener took a flying trip to Birmingham on a shopping expedition one day recently.

Mrs. Susie Robb, of Bagley avenue, Detroit, called on her mother, Mrs. E. Connor, on Sunday.

We understand Dr. Clawson has some big speculation on hand, either oil, gas or something else.

We are sorry to hear that Mrs. Merrill received a broken arm by falling on the sidewalk recently.

Just as Ed's family have moved into their new home on the corner of Main and First streets.

Mrs. Bashler, of Lockport, N. Y., is visiting her aunt, Mrs. E. Connor, there has not been each other in about 12 years.

The electric lights are again shining, lighting up the avenues so that people may not fall in the holes on our sidewalks.

Royal Oak is getting to be quite a temperamental town—only two wagon loads of empty beer barrels are hauled from here every week.

A citizen suggests that the Mayor of Royal Oak buy a pair of new gloves, that he may see the loose links and holes in our sidewalks.

Strayed or stolen—Any person knowing the whereabouts of any Mayor of Royal Oak by sending him home.

The delegates sent from the M. E. church to the Sunday school convention in Pontiac were Mrs. J. H. Heavener, Mrs. S. J. Willison and Miss Mattie Campbell.

The Ladies' Aid Society of the Congregational church met with Mrs. Herman Hartel Wednesday evening of last week. There was a large attendance of members and friends who gave hearts that beat in unison in getting their church repairs all finished before cold weather sets in.

Free Pills. Send your address to H. E. Bucklen & Co., Chicago, and get a free sample box of Dr. King's New Life Pills. A trial will convince you of their merits. These pills are easy in action and are particularly effective in the cure of constipation and sick headache. For malaria and liver troubles they have been proved infallible. They are guaranteed to be perfectly free from every deleterious substance and to be purely vegetable.

How To Gain Flesh. Persons have been known to gain a pound a day by taking an ounce of SCOTT'S EMULSION. It is strange, but it often happens.

Somehow the ounce produces the pound; it seems to start the digestive machinery going properly, so that the patient is able to digest and absorb his ordinary food, which he could not do before, and that is the way the gain is made.

A certain amount of flesh is necessary for health; if you have not got it you can get it by taking

Scott's Emulsion

You will find it just as useful in summer as in winter, and if you are thriving upon it don't stop because the weather is warm.

See and Be, all druggists.
