lake before the sun mane outdoor.

Then, because the mail came at 12, it suited them both to linger under the shade trees on the lawn until the distribution of letters began. It was on these occasions that they compared notes upon the subject of summer resorts in general and Fairview Springs in narticular.

notes upon the subject of summer re-norts in general and Fairview Springs. In particular.

They were there for the same reason—rest and a change of air. Both were eager to exchange the quiet of the place for the rush of their every-day life. If was not easy for him to day life. If was not easy for him to day life. If was not easy for him to day life. If was not easy for him to day life. If was not easy for him to her particular paractice, and it was equally hard for her to forget the half-shished manuscripts calling for attention in her desk at home. With a frankpess which was not flattering, and proposed counsed their diamy over the proposed counsel their diamy over the proposed. Fairview, and bestowed their dark prings.
