the strip raising as the door is opened.

Oil can be discharged into cups placed out of reach on machinery by the use of a new oil can, which is car-ried by a long rod and has the nozzle at the bottom, with an interior valve operated by a cord attached to the rod, extending down within reach of the hand.

and Europe.

Almonds are found in Asia, Barbary
and Morocco. Those we get are imported from Malaga.

Cocoanuts come from the East Indies, the West-Indies and the islands
of the Pacific near the equator.

This would be a quiet, peaceable ordid were it not for the movement of the under jaw.

of the under jaw.

The figures incased in tailor-made suits may not lie, but appearances are very often misleading.

When the contracting parties unite in their efforts to make marriage a success it is seldom a failure.

GREAT THOUGHTS.

Teeding for Firmness in Butten.

In winter, when the cowe are eating fodder, prairie or timothy hay, straw and corn, the butter is so him and corn, the butter is so had corn, the butter is of the warmed. The chamber of the butter hard, but the cold is only a part of the cause for this hardness, agray H. M. Cottrell in a bulletin issued by the feed cause for this hardness, agray H. M. Cottrell in a bulletin issued by the feed cause for the hardness is caused by the feed as all the feeds mentioned have a tendency to harden butter. In the early spring, when the cows first go on grass, the butter is soft and what deal-rese call "quarter than when the cows are call "quarter than when the cows were first turned out. The hardness of the butter is determined by the feed. An excess of linseed, glutten or soly bean menbal the determined by the feed. An excess of linseed, glutten or soly bean menbal the weather rangle when the butter is determined by the feed. An excess of the butter is all harden the butter. Bran has a tendency to soften butter slightly and dots to harden it. The roughtess fed does not have as strong an indisence on the firmners of the butter. Bran has a tendency to soften butter slightly and contour the supplemental than the s
