

EVENTS OF THE WEEK

IN OUR GREAT STATE RELATED IN A BRIEF FORM.

Grass Lake's Creamery has Been Destroyed by Fire—Whitehall's Defunct Bank Case—A Saginaw Prisoner Attempted Suicide—Other Items.

Prisoner Nearly Succeeded. John Beauchamp, aged 21, who is serving a sentence in the Michigan Reformatory, attempted to commit suicide by hanging himself in his cell.

Farmers in a Dilemma. The burning of the creamery at Grass Lake has put the farming community there in a dilemma.

Gen. Grant Once Owned Land in the State. Very few people ever know the oldest inhabitant, ever known that Ulysses S. Grant once owned a quarter section of land in the copper country.

What Prospects Very Poor. The outlook for wheat in Genoa county is decidedly poor. It will be a half crop in most cases, and many fields will not yield five bushels per acre.

Wm. H. Jones, a well-known resident of Genoa, was accidentally killed while assisting in raising a grain.

W. J. Nixon, of Alpena, was robbed of a quantity of money by a party who is thought to be a brother idd fellow.

The snow mountain in the public square of Calumet, which attracted so much attention last winter, is still in existence and preserved in original snow.

Wm. H. Jones, a well-known resident of Genoa, was accidentally killed while assisting in raising a grain.

W. J. Nixon, of Alpena, was robbed of a quantity of money by a party who is thought to be a brother idd fellow.

The snow mountain in the public square of Calumet, which attracted so much attention last winter, is still in existence and preserved in original snow.

Wm. H. Jones, a well-known resident of Genoa, was accidentally killed while assisting in raising a grain.

W. J. Nixon, of Alpena, was robbed of a quantity of money by a party who is thought to be a brother idd fellow.

Wm. H. Jones, a well-known resident of Genoa, was accidentally killed while assisting in raising a grain.

W. J. Nixon, of Alpena, was robbed of a quantity of money by a party who is thought to be a brother idd fellow.

Officers of the Defunct Bank Go Free. In the circuit court at Muskegon Assistant Attorney-General Chase entered a nolle prosequi in the case of the defunct Whitehall State Savings bank.

Constantine has two women barbers. Corn planting is going on Calhoun county in a big way.

Howell will have an old fashioned Fourth of July celebration. Fourteen "Winnans" will open up an exciting night at Jackson.

The first American flag was planted on Cuban soil by a U. S. man. Onaway capitalists are going to proceed for coal in Cheboygan.

Gen. Grant Once Owned Land in the State. Very few people ever know the oldest inhabitant, ever known that Ulysses S. Grant once owned a quarter section of land in the copper country.

The snow mountain in the public square of Calumet, which attracted so much attention last winter, is still in existence and preserved in original snow.

Wm. H. Jones, a well-known resident of Genoa, was accidentally killed while assisting in raising a grain.

Fire and water badly damaged Peter J. Nappa's store at Calumet the other night. Mr. Nappa was sleeping above the store and was making his escape.

Dr. J. A. Van Riper, of Lansingburg, while blowing up stumps with dynamite, was killed by a falling log.

The skins of two tamaran owls which were secured in the Philippines by Dr. J. B. Steere in 1887-88, have been mounted and placed on exhibit in the museum of the University of Michigan.

While John Fitzmorris was plowing on his farm in Mt. Haley township, a lightning bolt struck him to the ground. He was killed instantly as was the horse.

Many of Kalkaska county farmers who bring in to anywhere from 100 to 1,000 bushels of potatoes when the price was 40 cents and better are now regretting that they did not sell towards north.

Wm. Davis, colored, aged 80, is dead. The old man was formerly a slave, but since the war he has been an expressman. He was widely known among traveling men.

Edward Abler, of Dalton, is insane or religious. He believes that he will either have to go to stock or to take his family with him. Means have been taken by which he will go alone if he must.

Occasa county farmers who make any attempt to sell their land are unable to get enough for them to pay for carting them to market, and they will either have to go to stock or to take his family with him.

Wm. Hinzler, of Royal Oak, strangled his wife at the depth of 125 feet. The flame rises to a height of four feet. He was sentenced to the penitentiary.

A big tin plate mill will be added to the rolling mill at Genoa. The product is expected to reach 100 tons of steel billets per day, which will be used in the roller mills.

Philip Humphrey, a farmer living three miles from Coloma, lost his false teeth and concluded he had swallowed them. He was found dead in his bed when his teeth were found under the mattress of his bed, and he immediately recovered.

The spring in northern Michigan is very backward and discouraging. For the past week or so cold northwest winds and frosts have prevailed, and much of the fruit has been killed.

A heavy frost did much damage to the gardens and vineyards in the vicinity of Sugar Lake, near Schoolcraft, and perhaps to Orion and Rochester. In about a month the work of laying the rails will begin, and it is expected to have the cars running by October 1.

A boom is apparently on at the Paw Paw lake summer resort in Van Buren county. Over 500 cottages have been built, and many more are being built.

The Paw Paw lake railway has extended its lines and will eventually circle the entire lake for fruit to Chicago.

Grading has been started at Royal Oak for the new electric railroad, which is to run from the works of Rochester and perhaps to Orion and Rochester. In about a month the work of laying the rails will begin, and it is expected to have the cars running by October 1.

AT HOME AND ABROAD

A SUMMARY OF THE NEWS FOR THE WEEK BY WIRE.

More Good Farmers are Wanted in the Philippine Islands—The Jews Have Perfected a National Organization—New Finance Measure for the U. S.

A Chance for Farmers in the Philippines. A report on the plant products of the Philippine islands, issued by the agricultural department, is authority for the statement that the Philippines, although an agricultural country, do not produce enough to supply the wants of its inhabitants.

While John Fitzmorris was plowing on his farm in Mt. Haley township, a lightning bolt struck him to the ground. He was killed instantly as was the horse.

Many of Kalkaska county farmers who bring in to anywhere from 100 to 1,000 bushels of potatoes when the price was 40 cents and better are now regretting that they did not sell towards north.

"Think of Ease But Work On."

May "work on" but you cannot even "think of ease."

The blood is the greatest sustainer of the body and when you make it pure by taking Hood's Sarsaparilla you have the perfect health in which even hard work becomes ease.

Hood's Sarsaparilla NEVER DISAPPOINTS.

Undergarments Made from Paper. There is a new rival to the cloth skin suit, so long worn by women for extra warmth.

Compound Locomotives. A dozen or more of the 45 consolidation compound freight locomotives recently ordered for use on the Baltimore & Ohio Railroad are in service and are being operated by the Baltimore & Ohio Railroad.

Are You Using Allen's Foot-Ease? It is the only cure for swollen, smarting, burning, sweating, peeling, itching, and cracked feet.

There are a few things that even a very young man doesn't know. The art of printing is well to have been invented in China B. C. 202.

Coughing Leads to Consumption. Kemp's Balsam will stop the cough at once. Go to your drugist today for overseas, handkerchiefs, etc.

Hall's Catarrh Cure. Is a constitutional cure. Price, 75c.

Lost a Lot of It. Little Year-old Willie had been to the theater, and upon his return his mother asked him how he liked the play.

BASE BALL. Below we give the number of games of ball played by the Western and National Leagues, together with the percentage of each club.

Table with columns: Club, Games Played, Wins, Losses, Percentage.

Table with columns: Club, Games Played, Wins, Losses, Percentage.
